W E S T P I T T S T O N

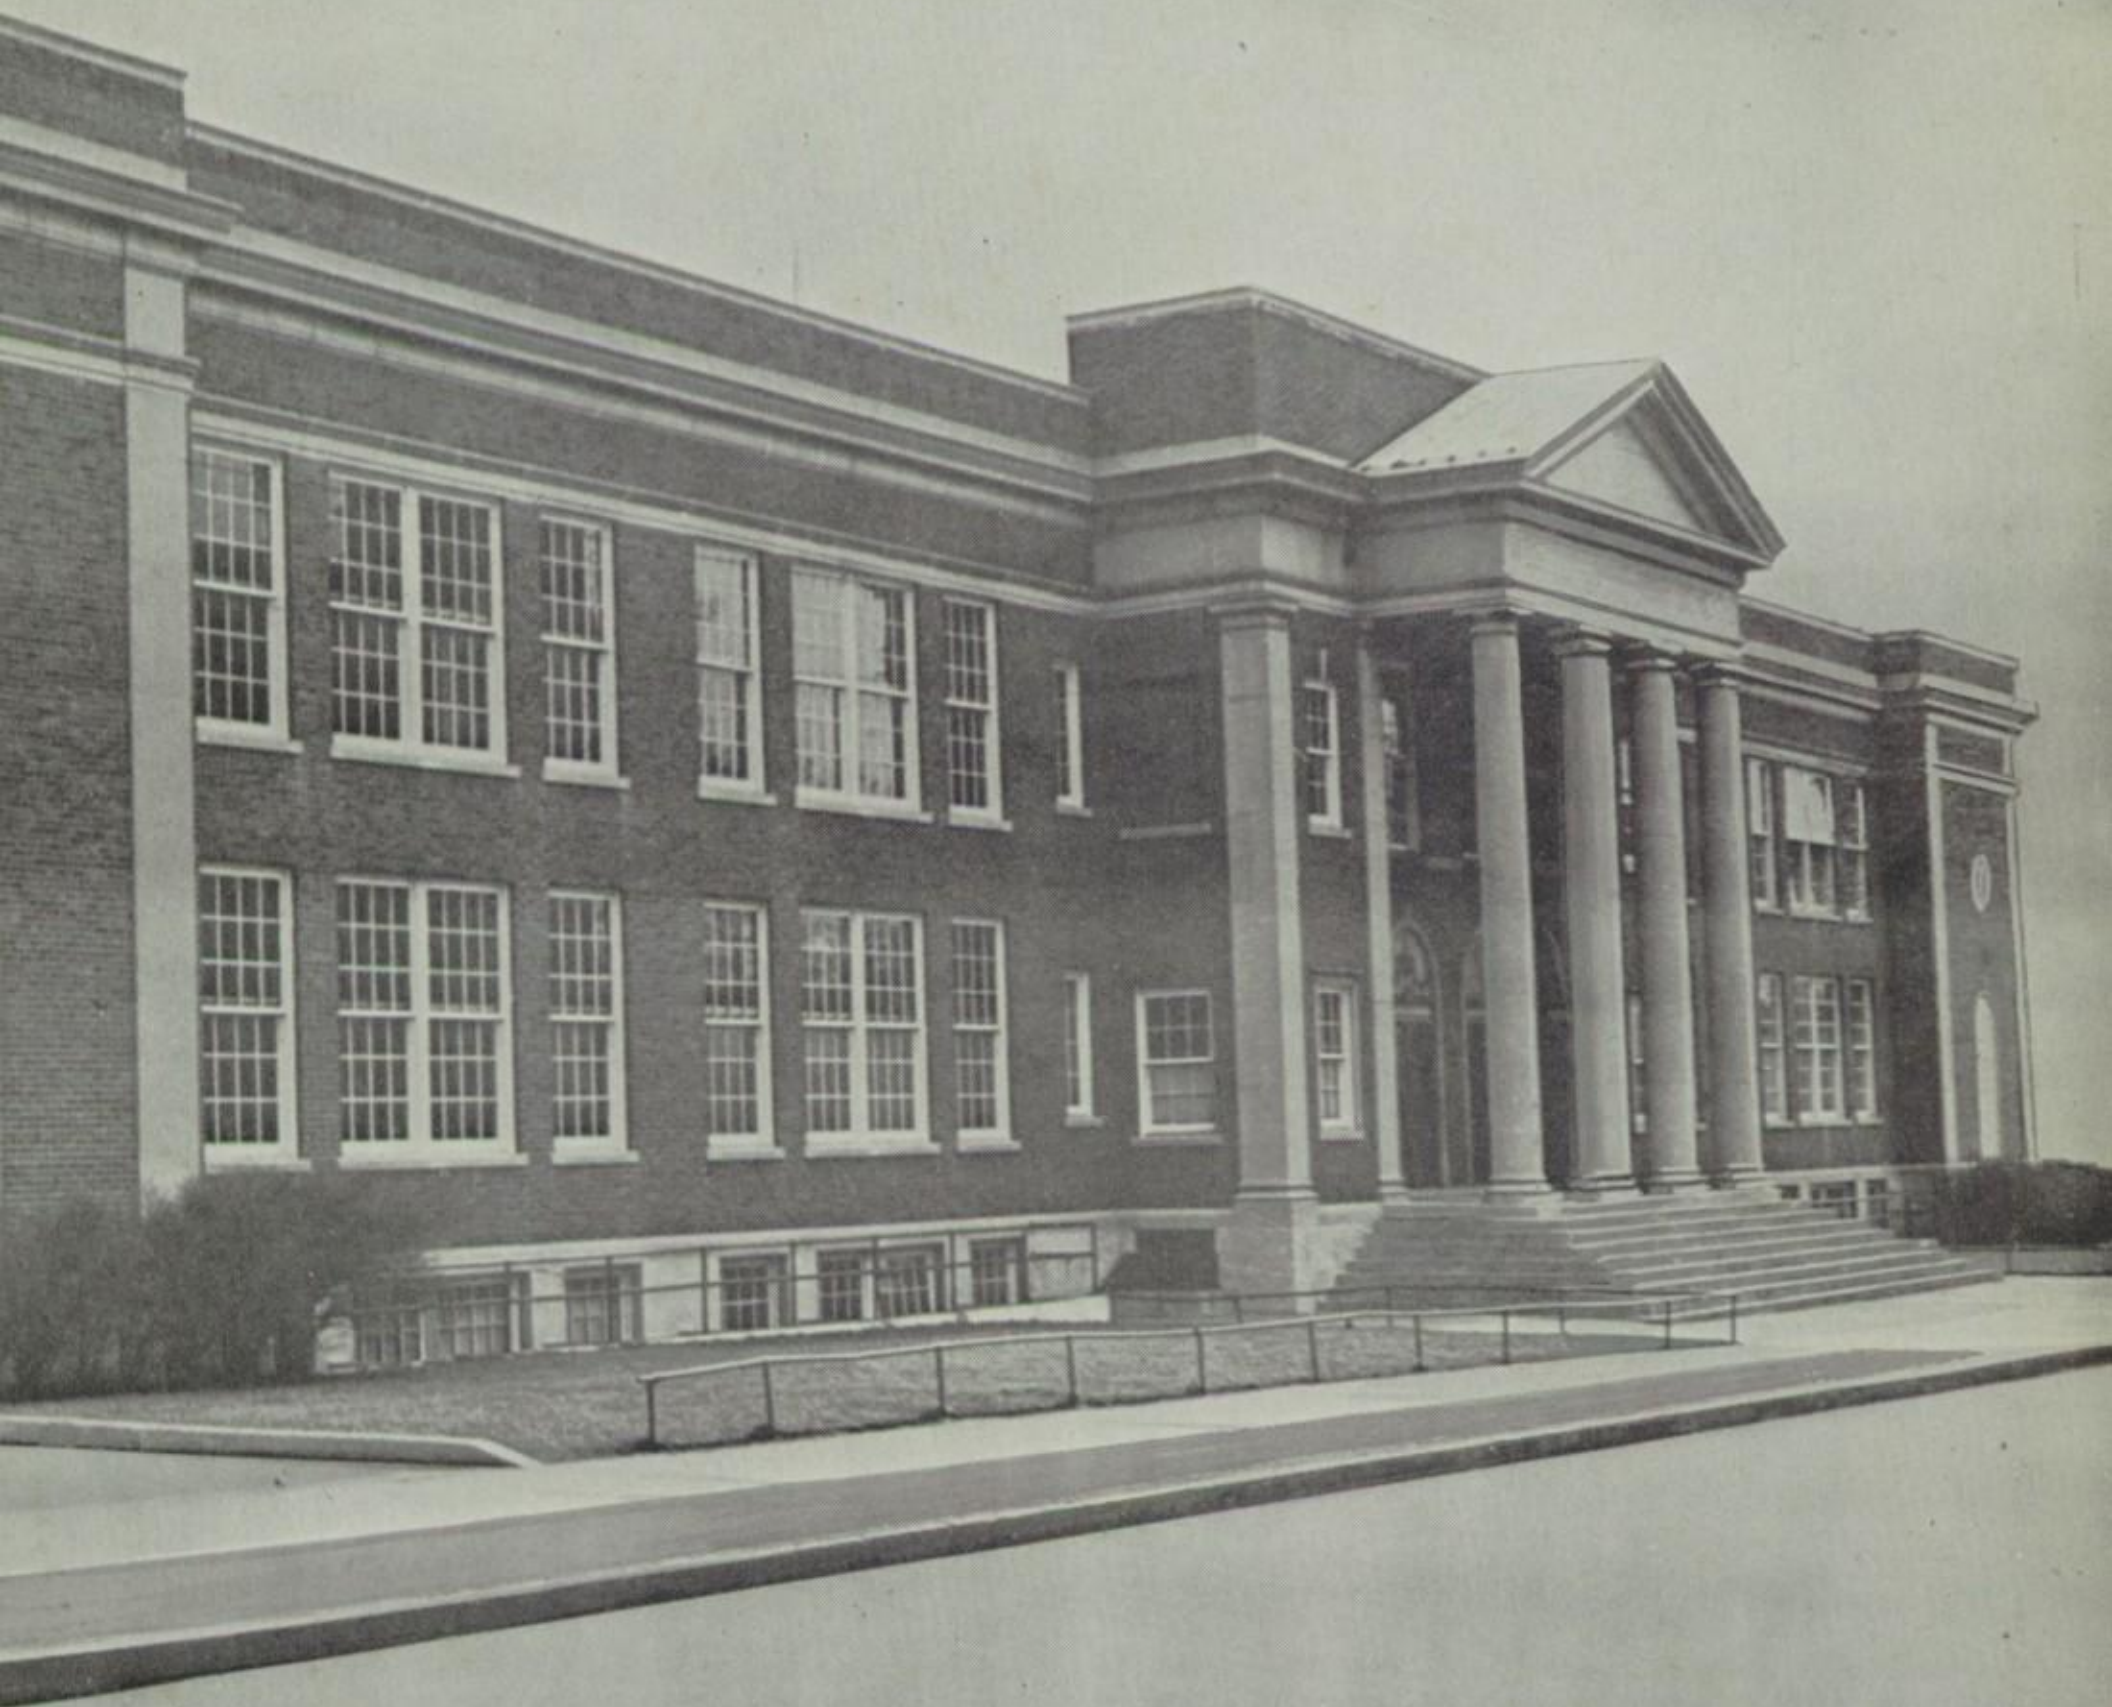

A L M A M A T E R

Words by Jasper Britain—1923

Tune: "The Orange and Black" Princeton

We are proud of football records,
Of our work in basketball,
Of our hard-won baseball vict'ries
Of our players one and all;
And we know our teams each season
Will strive with all their might
To be worthy of old High School
And the dear old Green and White

H I G H S C H O O L

So then, come ye, Seniors, Juniors,
Come Soph'mores, Freshmen, all,
And we'll keep the echoes ringing
Through this dear old study hall.
Let us own the white of virtue
And the green for youth and right
As we strive to all be worthy
Of the dear old Green and White.

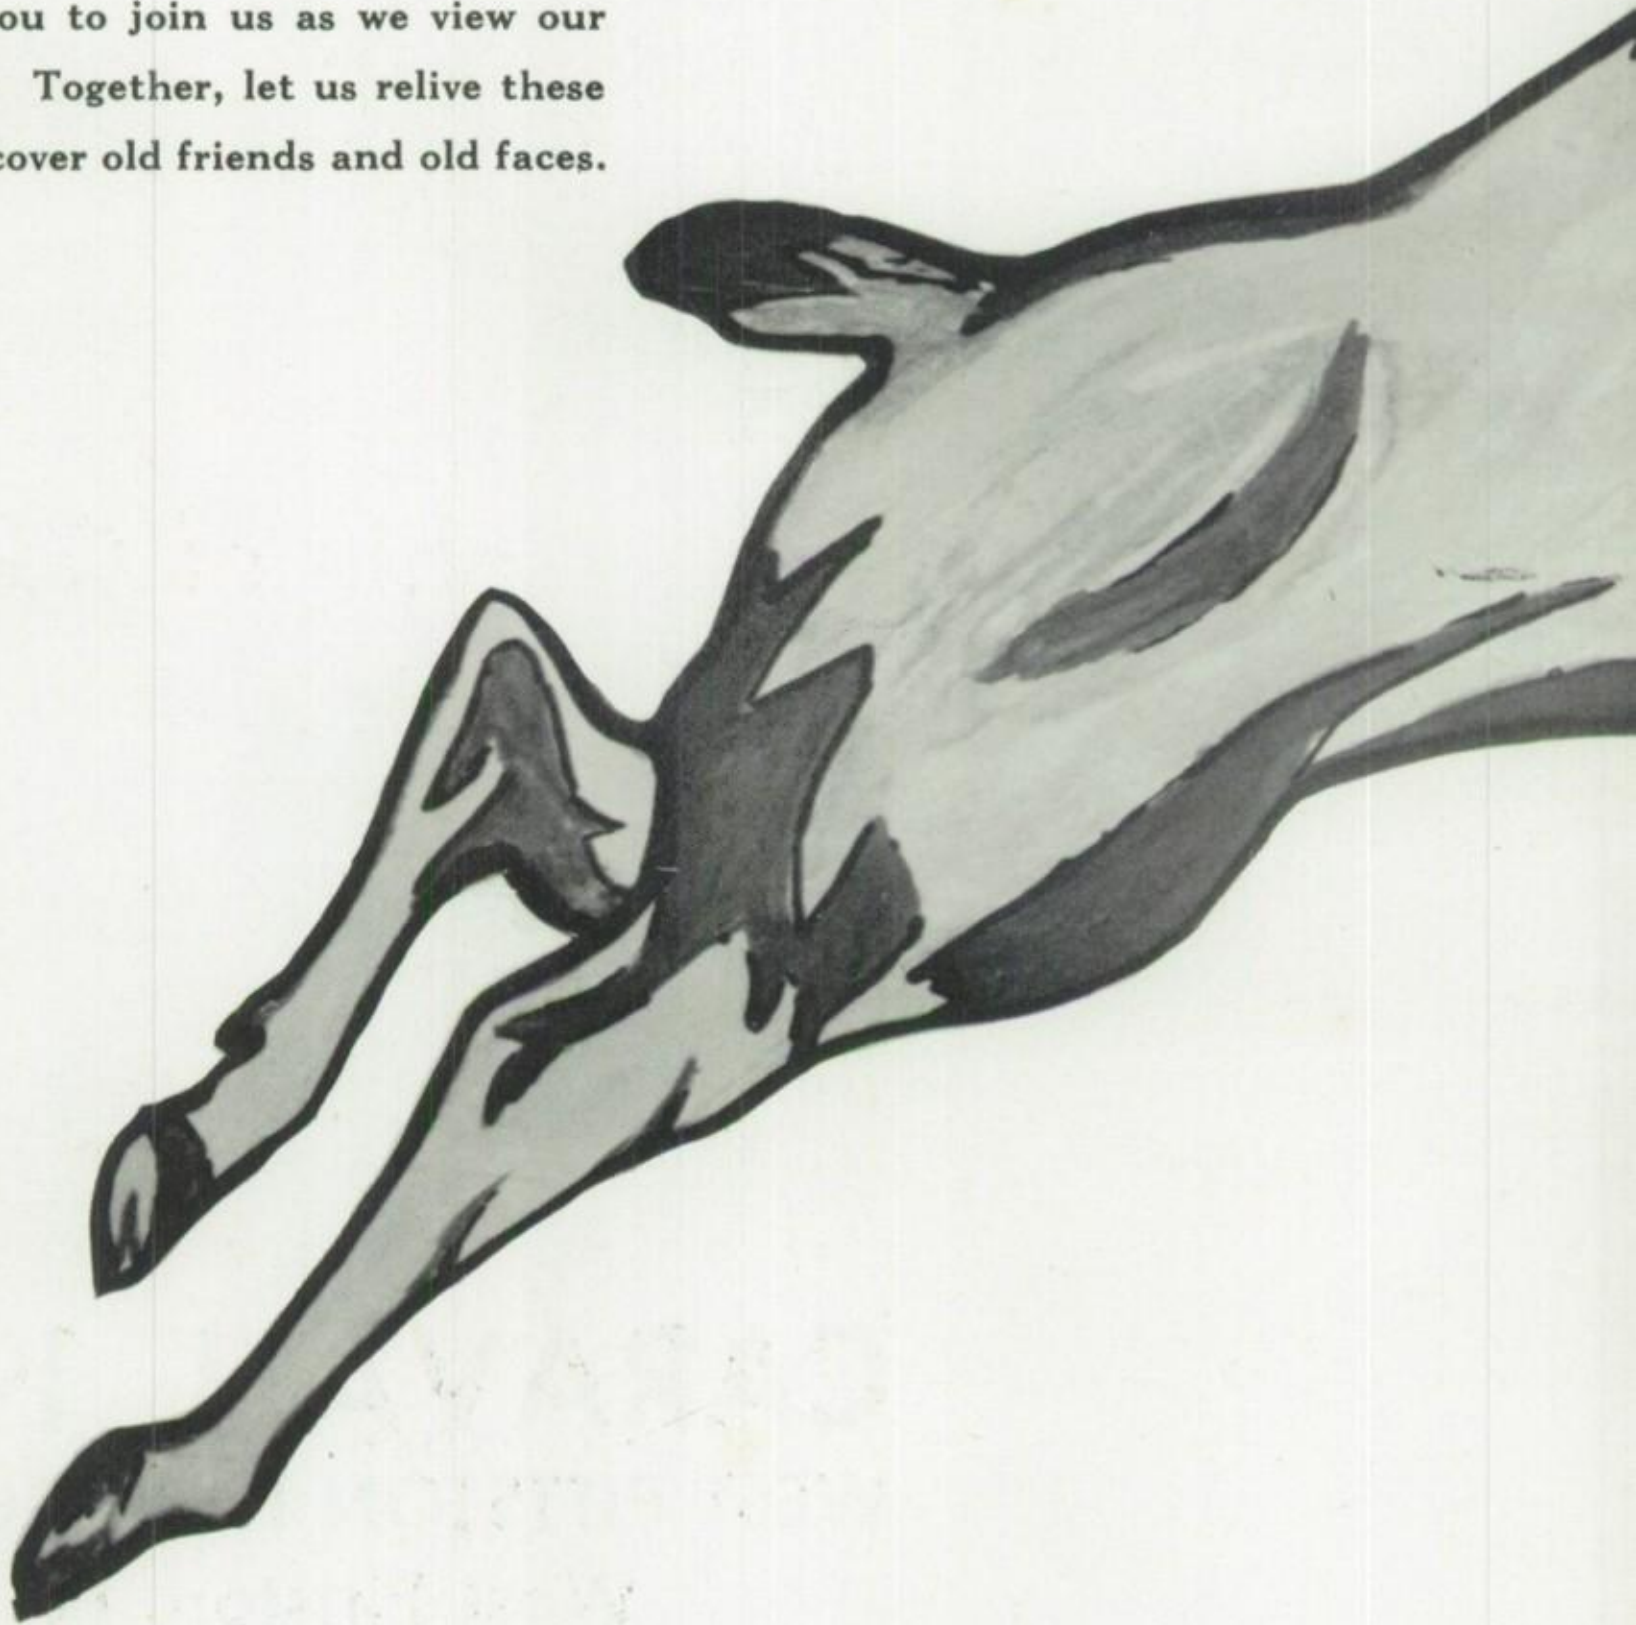

When Commencement Day is over
And we turn to tread new ways,
We must say good-bye forever
To these good old High School Days;
And though age will overtake us
As the long years pass in flight,
We shall ne'er forget old High School
And the dear old Green and White.

Foreword

Approaching the end of our high school days, we have many memories to recall—some pleasant, some sad, all unforgettable—our class activities, our many good times, and, most important, our friendships. As we browse through our Caravan of 1963, we are forever reminded of our Alma Mater and of these memories.

We invite you to join us as we view our Caravan of 1963. Together, let us relive these times and rediscover old friends and old faces.

In Tribute

We, the eighty-fifth graduating class of West Pittston High School, proudly dedicate this edition of the CARAVAN to Mr. James T. Ayre, the man who has been our guiding hand throughout our high school years, and who we feel has done much to deserve our deepest gratitude and recognition. Mr. Ayre has won many friends among the faculty, the townspeople, and especially among the students of West Pittston High School, in whom he has always shown a genuine interest,

A prominent citizen of the community, Mr. Ayre leads a busy life as a member of several civic committees, holding such positions as President of the local branch of P.S.E.A.-N.E.A., chairman for Vocational Guidance Conference of the Pittston Kiwanis Club, and Director of Civil Defense. A dedicated family man, he enjoys spending his limited spare time with his family, finding relaxation in traveling and photography. His role as principal, Key Club advisor, and guidance counselor endears him to us all, his students, as a true and lasting friend who is always there when we need him.

To Mr. Ayre, who has generously and unselfishly given of himself, his time, and his interest, we dedicate this issue of the CARAVAN.

Administration

He received his A.B. degree from Pennsylvania University, his M.A. degree from Bucknell University, and was awarded in 1945 the General Electric Fellowship for science and mathematics at Union College, New York. Mr. Williams shows his interest in the students by acting as faculty advisor for the Student Council. In addition to being active in community affairs and teaching a Bible Class, he enjoys gardening. The Class of 1963 respectfully pays tribute to Mr. R. Chester Williams, who has ably guided us through our Senior High School years.

He is presently Key Club advisor and guidance counselor in addition to his duties as principal. The Class of 1963 is grateful to Mr. Ayre for the help he has given us through the years.

Board of Directors

To the Class of 1963:

We wish to extend our congratulations to you, the members of the Class of 1963, the eighty-fifth class to graduate from West Pittston High School.

As you go out into the business world, or on to fields of higher learning, may you always strive to attain and maintain the high standards of learning you have achieved.

We urge you to put forth your best effort in every undertaking, for only by persistent application to duty can character be acquired. The acquisition of a strong character is the greatest of all achievements.

CLASS SONG

Music and Lyrics by Lauren Argenio

As we leave our Alma Mater
On graduation night,
We take our dreams, our sadness and joy
Our memories of Green and White.

Through all the years we'll ne'er forget
The happiness we have known
With our West Pittston's hallowed name
We'll never walk alone.

As we meet the future, now
With hearts and hopes held high,
We'll walk through these doors for the
last time
And bid our fond good-bye.

Key Club

This year, as in the past, the Key Club, sponsored by the Kiwanis Club of Pittston and directed by Mr. James T. Ayre, was a very active organization in our school.

The Club draws its membership from the outstanding sophomore, junior and senior boys, who are chosen primarily on the basis of scholarship and character. The Club's officers for this year were Alan Carney, President; Charles Baker, Vice-President; John Testa, Treasurer; and William Miller, Secretary.

In addition to operating the refreshment stand, the Key Club started a high school newspaper, the *Key Club Chronicle*, organized a Glee Club, which sang for numerous civic groups, and donated two tables with matching chairs to the high school library.

We sincerely wish to thank Mr. Ayre for his leadership, which made our club a credit to West Pittston High School.

Miss Richards appreciates the help the girls have given her, and the girls in turn are grateful for the opportunity of experience she has given them. Realizing the importance of the library, the information to be gained from books, and the knowledge of how to use both of these will be an asset in the future to these girls.

The West Pittston Rams, guided by Coaches Merle Bainbridge, Nicholas Volpetti and Patrick Cawley, have once again compiled a successful record with seven wins to only three losses.

The first game was a preview of what was to happen throughout the season as the Rams met Dunmore, eking out a 7-6 score for the first win of the year.

The next week the Rams traveled to Clarks Summit and met a powerful opposing squad. Although never giving up, the Rams were on the short end of a 26-14 score.

Heavily favored Old Forge handed the Rams the second loss of the season. Hindered by knee-deep mud, our team displayed a superior effort, allowing the Blue Devils to tally only three times, yielding 20-0.

On October 5 the team journeyed to Kingston to meet West Side Central Catholic, a strong pre-game favorite. Remembering that Right Attitude Means Success, the Rams upset the Queensmen 14-7 in one of the best games of the year.

A well-balanced ground attack was the deciding factor against the invaders from Scranton Tech. Looking for an upset, the Scranton team had not counted on the drive of the Rams and faltered with a 14-7 score.

The cross-river rival, Pittston, was the next opponent. The secondary kept the Rams in the game, breaking up the excellent passing of Pittston's quarterback. Again the well-balanced attack proved itself, and the Rams posted a 12-0 victory.

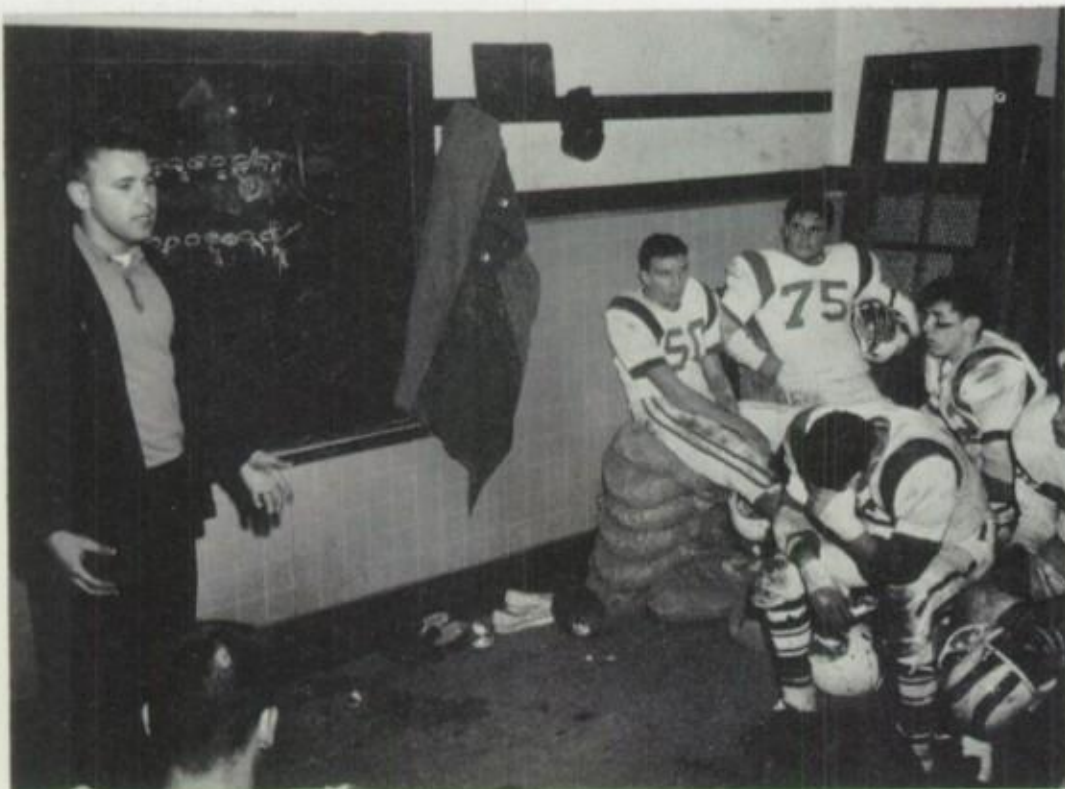

On October 26 the Rams played host to Scranton Central in one of the worst snowstorms of the year. The blinding snowfall continued throughout the game, and the Rams attack bogged down in the storm, allowing Central to win 7-0.

Trailing St. John's 6-0 at halftime, the determined Rams rallied in the second half for thirty two points, holding the Johnnies scoreless. Displaying the best form of the year, the powerful line constantly made running space for the fleet backs.

Again the underdog, the Rams traveled to Tunkhannock and returned with a 13-7 triumph. A strong pass defense and a tough line kept the Rams out of trouble.

Entering the Thanksgiving Day fray as heavy favorites, the Rams romped over Exeter 34-0 for a fitting climax to the 1962 season.

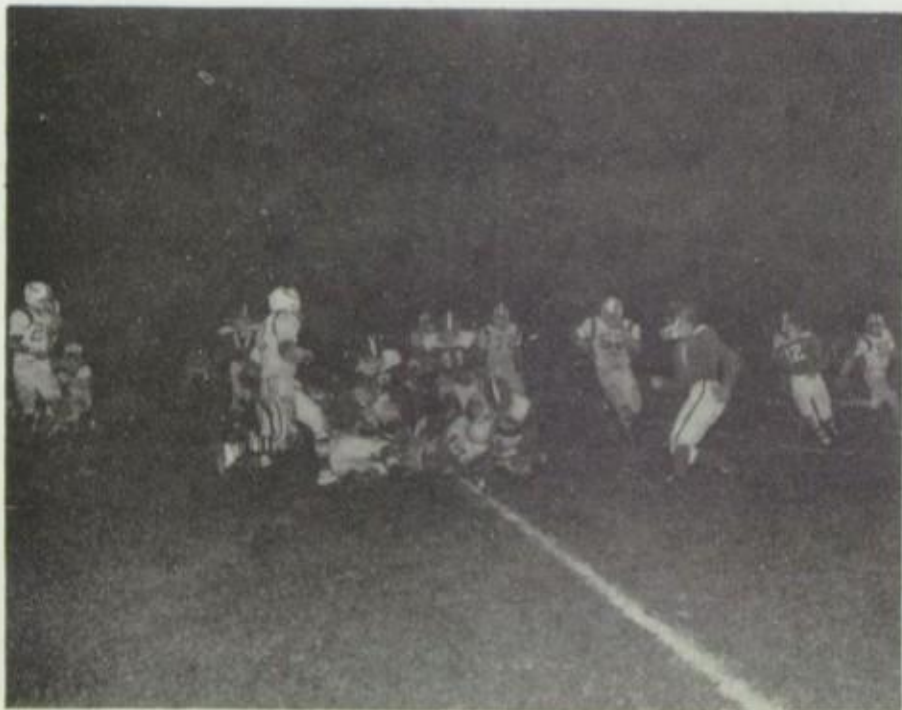

With a number of this year's starters returning, the Rams have the make-up of another good team.

The West Pittston High School basketball team, under the able coaching of Mr. James T. Atherton, came into a rebuilding season after having strong championship teams in the past few years. With only one returning senior, Carl DeAngelo, the team was dependent on underclassmen.

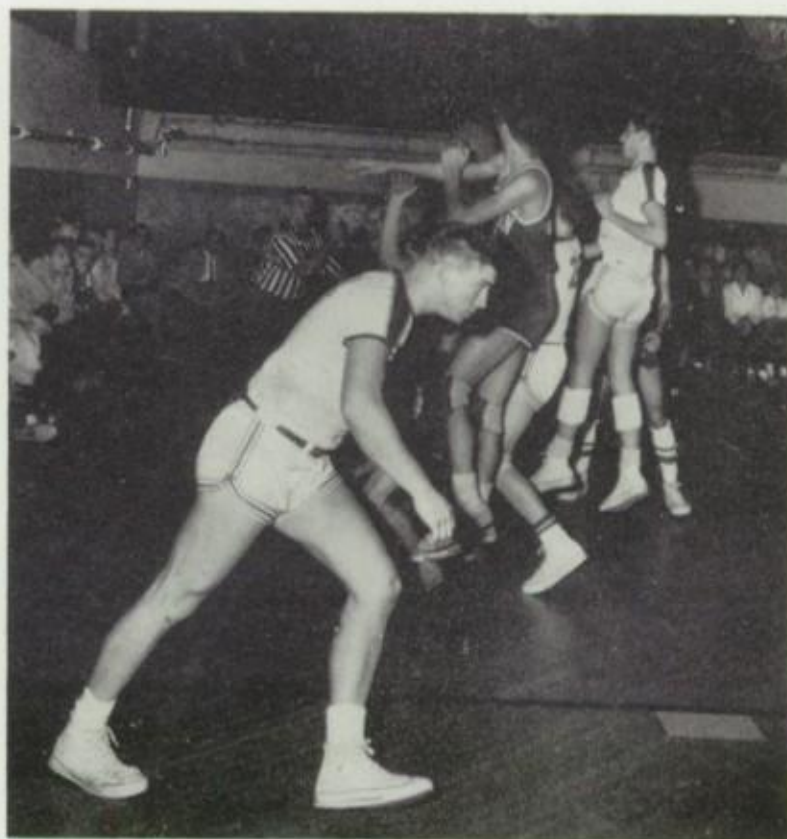

The Rams opened the 1962-63 season by hosting Coughlin High School in an exhibition game. The Rams won this opening game in the last seconds on a shot made by Keith VanDuzer. They also defeated St. Mary's but lost to Taylor-Moosic and Dallas making a 2-2 record for the exhibition season.

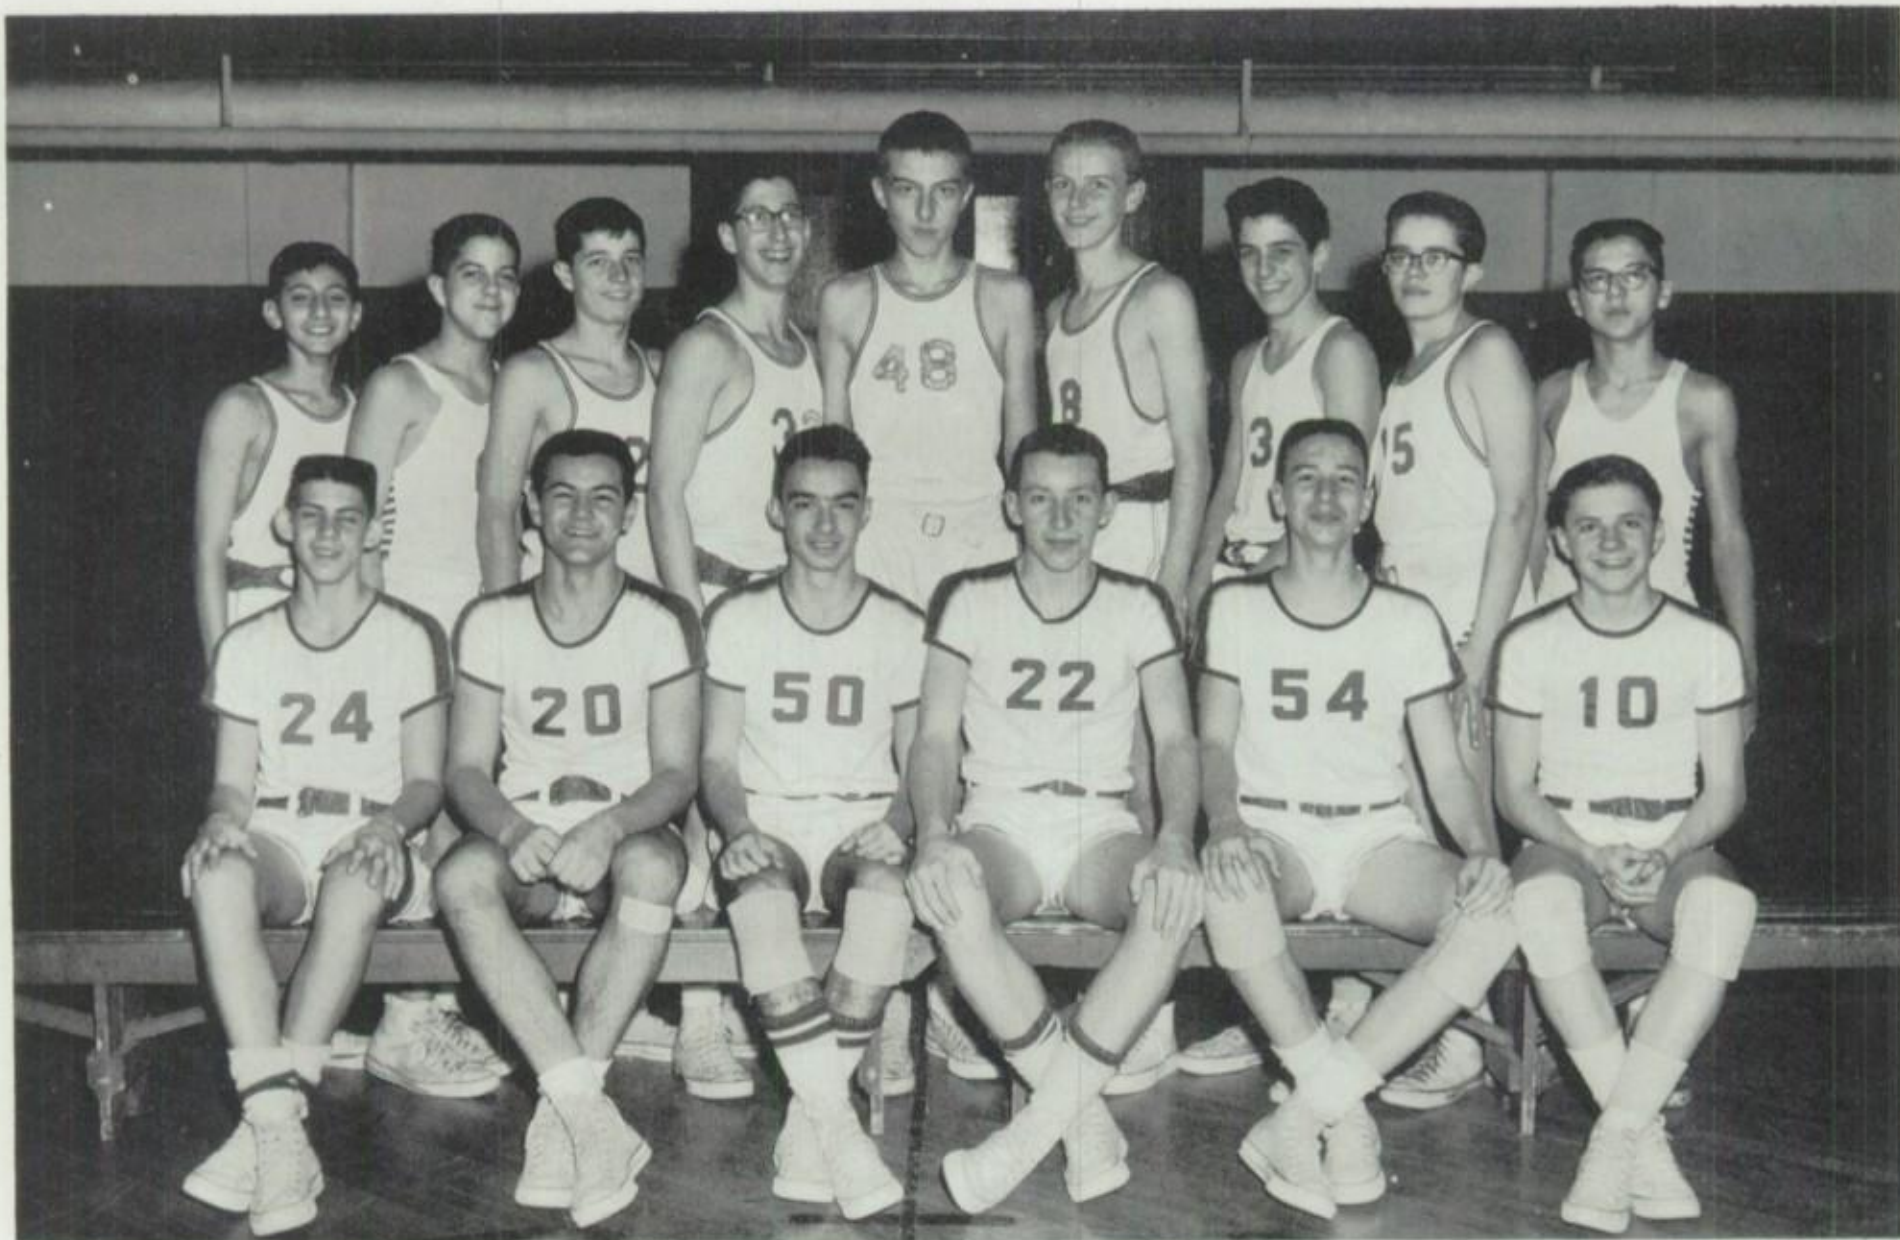

The cagers opened the regular Valley League season by hosting their neighborhood rival Pittston. This opener proved to be a thriller as it ended in a one point difference in favor of the Panthers. The Rams overcame this loss by defeating Plains with Keith VanDuzer tallying 20 points but came into a losing streak, being defeated by Wyoming, Luzerne, Edwardsville, Exeter, Larksville, and Northwest. The last game of the first half was a victory over Forty Fort with Joe Cefalo tallying 15 points ending the first half with a 2-7 record.

In the second half the green and white cagers defeated Wyoming, Forty Fort, and Luzerne but fell victims to Plains, Larksville, Exeter, Northwest, Edwardsville, and Pittston. The Rams ended the season at Pittston gymnasium where senior Carl DeAngelo, playing in his last game, scored five field goals and made a superb showing in the fourth quarter. But despite their last quarter efforts, the Rams bowed to the Panthers for the second time.

With the underclassmen Mr. Atherton has on his squad, he is sure to produce championship teams in the next few years.

The Junior Varsity under the able coaching of Mr. Harold Seiple had another fine season with a record of 16 wins and 6 losses for the season. The jayvees have gained much valuable experience and they will prove to be assets in the next few years.

COACHES—Harold Seiple and
James Brokenshire

When Coach Harold Seiple called for track candidates this year, more than sixty boys responded eagerly.

On March 18 the track team staged its first meet against an excellent Coughlin team. The Rams were paced by Jody Marranca, Michael Evans, James McGowan, Thomas Fusco, Danny Llewellyn, and Richard Gorgone, but unfortunately yielded to a final score of Coughlin 87-West Pittston 40.

The initial victory of the season was over Tunkhannock with the winning margin the mile relay, the last event of the meet. The Rams posted a final score of 51-49.

On March 24 the trackmen of Meyers High School invaded West Pittston. The Rams had only two successes—the mile relay and the hurdles—losing 88½-38½.

Plymouth was the next team to meet West Pittston. The Rams were led by seniors Jody Marranca, James McGowan, Michael Evans, Carl DeAngelo, and Rich-

ard Gorgone, upsetting their opponents 68½-58¾.

Wyoming, Class B champs of 1962, met West Pittston next, falling victims to the Rams with a 63-55 score. Along with the seniors, the underclassmen played an important role in the victory. Again the mile relay was the deciding factor.

The Rams had their first away track meet against G.A.R., suffering another defeat by a Class A school with the final score 86½-40½. First places were taken by Rich Gorgone, Dan Llewellyn, and also West Pittston won the half-mile relay.

The final meet of the year was against Kingston. In spite of team efforts, the Rams lacked the necessary depth and were defeated 93-34.

The last event of the track season was the P.I.A.A. District 2 meet held at Scranton Memorial Stadium. The Rams regained their title as Class B champions in a fitting climax to the season.

Boys' Gym Team

The Boys' Gym Team, directed by Mr. Swingle, again this year presented an excellent exhibition.

After many hours of diligent practice, the boys performed their gymnastics with great muscular co-ordination on the mats, high bar, parallel bars, rings, spring board and trampoline.

The members of the gym team wish to thank Mr. Swingle for his direction and assistance.

Girls' Gym Team

The girls in the Senior and Junior High School who excel in gymnastics are given an opportunity to display their talent at the annual gym exhibition.

The Junior High girls exhibit ability in calisthenics, Indian Club drills and marching. While the girls of the Senior High tumble and perform on the parallel bars with relative ease and grace.

The members of the girls gym team express gratitude to Mrs. Llewellyn for her genuine interest and direction.

Magazine Drive

Every year the seniors are faced with the problem of obtaining sufficient funds to produce a successful yearbook. This year, as in the past, our annual Magazine Drive provided the solution to this problem. This year, however, we have something to be especially proud of, for we not only reached our goal of \$6,000, but also surpassed it, giving us a grand total of \$9,000 for our ten-day drive! The CARAVAN Staff is grateful to all underclassmen who sold magazines to help us, and especially to Miss Margaret Clelland and Mrs. Mary Kautter, the commercial teachers who directed the drive, without whose invaluable assistance our Magazine Drive would not have been possible.

Words by Jasper Britain—1923

Tune: "The Orange and Black" Princeton

We are proud of football records,
Of our work in basketball,
Of our hard-won baseball vict'ries
Of our players one and all;
And we know our teams each season
Will strive with all their might
To be worthy of old High School
And the dear old Green and White

H I G H S C H O O L

So then, come ye, Seniors, Juniors,
Come Soph'mores, Freshmen, all,
And we'll keep the echoes ringing
Through this dear old study hall.
Let us own the white of virtue
And the green for youth and right
As we strive to all be worthy
Of the dear old Green and White.

When Commencement Day is over
And we turn to tread new ways,
We must say good-bye forever
To these good old High School Days;
And though age will overtake us
As the long years pass in flight,
We shall ne'er forget old High School
And the dear old Green and White.
